

YOUR VISION,
delivered.

SELECTIONS FROM WILSONART® HPL

 **Wilsonart®**
HPL

Your designs, limitless.

Wilsonart® High Pressure Laminate (HPL) is crafted for affordable luxury, practical performance, and defining design. The design options are vast, but there is only one objective — providing the perfect combination of art and engineering for every environment.

Wilsonart® HPL offers limitless designs, is #1 in sustainability, has 3X more wear resistance when powered by AEON™ Technology, and is stocked locally with unmatched reliability.

From sustainability information to the full design catalog, this brochure contains everything you need to know about Wilsonart® HPL.

Whatever vision you see, we see it through with a limitless collection of the most sustainable HPL designs delivered faster than anyone else.

LIMITLESS DESIGNS

In-stock

- Curated in-stock selection of 300+ locally available designs, featuring woodgrains, stones, patterns, and solid colors.

On-demand

- Endless on-demand options featuring 1000+ additional designs.

Create your own

- Bring any design to life with color alterations or tailor-made designs.

#1 IN SUSTAINABILITY

Made with an average of 23% post-consumer recycled content, 2X more than other laminates.

3X MORE WEAR RESISTANT

When powered by AEON™ Technology, Wilsonart® HPL surfaces are 3X more resistant to wear, scratches, and scuffing, compared to other laminates.

UNMATCHED RELIABILITY

Stocked locally in 100+ locations. On-demand designs shipped within 21 days.

#1 in sustainability.

At Wilsonart®, we are committed to conscious craftsmanship. Sustainable manufacturing. Exceptional durability. And understanding deeply how our surfaces can reflect the values of architects, designers, and end users.

Choose Wilsonart® HPL with confidence, knowing it is engineered to last and third-party certified to help maintain a safe, healthy indoor environment. We take pride in leading the industry with achievements like Declare labels. Wilsonart® HPL is Living Building Challenge Compliant.

ON AVERAGE, WILSONART® HPL CONTAINS 23% POST-CONSUMER RECYCLED CONTENT, WHICH IS 2X MORE THAN OTHER LEADING LAMINATE BRANDS.

SOLVE SUSTAINABLY

Inspired by nature, but created without the impact. Through superior engineering, we provide methods and materials to solve your design challenges with recycled content, sustainably sourced components, and resource-efficient manufacturing.

LAST BEAUTIFULLY

Stands up to everyday use, high traffic, and the maintenance demands of sensitive environments, like hospitals — without the waste of replacing a damaged surface before its time.

CARE PERSONALLY

Your greatest must-have for a space is well-being. Our HPL helps you take care of indoor air quality — so end users are better able to take care of their health. Wilsonart® HPL is also the first product in the laminate category to receive a Declare label and is Living Building Challenge Compliant.
